CONTRACT

25X1

The services and equipment being procured by this Contract No. **RE-7300**  
**Amendment No. 1** are in furtherance of the **OSA Funds**  
Program(s), the nature of which cannot be publicly disclosed for security rea-  
sons. The Contracting Officer therefore determines that this procurement must  
be accomplished by negotiations pursuant to the authority of Section 3(a) of  
PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on  
15 October 1961.

Certification of funds for this contract will be handled under the pro-  
cedure approved by the Director of Central Intelligence on 15 December 1956

The amounts in this account will be periodically scheduled for certification of the  
vouchers by the Director. This procedure eliminates the necessity for a sepa-  
rate certification of authority under Section 8(b) of Public Law 110, 81st Con-  
gress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the  
terms and provisions generally of this contract/amendment, and a resume of  
major issues negotiated:

**This Amendment No. 1 to FP Contract provides for addi-  
tional crypto equipment to be installed**

**These items normally would be procured through  
DI Log, however, due to shortage of time, it was arranged for  
CMD/OSA to purchase them.**

**Rixon is the sole source producer of these items. Mr.  
certifies that the prices quoted are the same  
charged to any other customer.**
